Sir:

The Applicant respectfully requests a refund under 37 C.F.R. §1.26. The Applicant requests a refund of the fee paid to file a Notice of Appeal on July 19, 2004, in the amount of \$165.00 USD. The request is made because in the Action mailed September 8, 2004, the Examiner withdrew the finality of the previous Office Action, thus rendering the Notice of Appeal moot. The withdrawal of finality was made by the Examiner at the request for reconsideration by Applicant, which the Examiner stated in the first paragraph of page 2 of the Action, as being persuasive. The basis for the request for reconsideration is that the Examiner introduced a new grounds for rejection, as discussed by the Applicant on page 11 of the response filed on July 19, 2004. The Applicant is an independent inventor and has small entity status with the U.S.P.T.O.

The payment of the Notice of Appeal fee was made via credit card and the Applicant authorizes the Office to refund the fee via a credit to the credit card account to which the fee was charged.

Respectfully submitted,

Appl. No. 09/834,208; Filed: April 13, 2001  
For: Oxygen Mask  
Inventor: G. Thomas Wolf  
Our Ref: 0022-010001

Sir:

We are writing in regard to our filing on May 18, 2005. We faxed a Reply to an Office Action to the Central Fax Number. The Reply consisted of fifteen (15) pages, of which eight (8) pages were received on the first attempt. An Auto-Fax receipt was generated by the U.S.P.T.O. and received shortly after transmission that only 8 pages of the 15 pages were received by the Patent Office. We then re-sent the 15 page filing which was received by the U.S.P.T.O., which then generated an Auto-Reply Fax receipt that all 15 pages had been received. When checking PAIR to assure that all pages that were filed had been entered, we noticed that only the first Fax transmission had been scanned into the file. Thus, we are re-sending the papers that filed (15 pages), in addition to a copy of the Auto-Reply Fax receipt, indicating receipt of all 15 pages of the Reply.

We respectfully request that the complete reply consisting of the fifteen pages timely filed on May 18, 2005 be entered and that the Reply to the Office Action is considered timely. As the Reply was filed within the three (3) month Shortened Statutory period set by the Examiner, the applicants believe that no late fees are due.
